

## Make a Splash — Read!

### JCPL 2010 Summer Reading Program--Registration begins May 24--Program begins June 1

“Research shows that children who read during the summer perform better when school resumes in the fall. Johnson County Public Library ensures that every family in the community, regardless of means, has access to a variety of books. Thanks to the generous support of Friends of Johnson County Public Library and other community sponsors, every family also has incentives to keep reading: points, prizes, and free programs for all ages.” ([JCPL Website](#))
