

[Take a Personality Test](#)—copy and save the results to a Word document and save on your “H” drive. Print out your results.

Career Research on Inspire:

Go to: Testing and Education Reference Center

Click on Research Careers, then Career Assessment

Create a login and password—use your FCHS network and password

Take the **Career Key Assessment**—Print out a copy of the results and put in your green folder.

Look at the three highest scoring results:

Career Key Results
(R)ealistic = 2
(I)nvestigative = 4
(A)rtistic = 7
(S)ocial = 11
(E)nterprising = 7
(C)onventional = 3

Look at one job in each of the three highest categories of the Career Key Results.

For each of the three jobs, take notes from each tab of the job description.

Possible Colleges:

Take the [College Personality Quiz](#).

Go to [College MatchMaker](#) and choose three possible colleges for that career. What are the admissions requirements for each college? Do they have a college visiting program? Record your notes in your spiral notebook.

Request a packet of information from the three colleges of your choice (most colleges have online request forms or email/call the admissions office).

Career Books with Summary:

Choose one career book to read—you will complete a book summary after reading. Write the summary in your spiral notebook based on the questions on the Career Book Summary handout.

Here are some options for locating a career book:

- Choose a book from the FCHS Library: <http://destiny.fcsonline.org/>
- Find an e-book online: Inspire –Click 
- Go to the Johnson County Public Library-- catalog page: <http://infocat.icplln.org/uhtbin/cgiirsi/0/0/0/60/1180/X>
