

Thank you for donating your time and money towards the team. We have tried to make this as fair as possible with everyone having to work or purchase bananas for 4 total slots (sorry to the couple of families with 5 slots, but this is only if they make it to the finals...lets hope!). If you are working the concession stand for the A games, please try to be there an hour to an hour and a half before game time. On A game "only" nights we will be working with the 8th grade as well. We could have 20 possible girls that may need bananas or kiwis per night. We have tried to divide it up so each parent has to only bring 10 of the fruit. Please try to send the fruit with the girls prior to the game/or before the bus leaves. If for some reason you are unable to work or provide fruit, please let us know ASAP or please try to find someone to fill or switch with you.
