No new swimmers may be entered after entry deadline.

Positive check-in is required for Thursday's events, which will be deck seeded 30 minutes prior to the start of the session and may be limited to the Top 30 at the discretion of the Meet Referee. There will be no refund of entry fees for swimmers who do not compete.

The following KYLSC scratch rules will apply for the Thursday session:

Any swimmer entered in an individual event that is seeded on the deck, in whole or in part, who has checked in for that event, must swim in the event unless he notifies the Clerk of Course before the seeding for that event has begun that he wishes to scratch. Failure to scratch prior to seeding and not swimming in the event will result in his being barred from the next individual event in which he is entered on that day or the next meet day, whichever is first. Events seeded on the deck shall be closed for seeding no earlier than thirty (30) minutes prior to the start of the session.

Exceptions for failure to compete:

No penalty shall apply for failure to withdraw or compete in an individual event if:

- A. The Referee is notified in the event of illness or injury and accepts the proof thereof;
- B. It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.

RELAYS: Relay cards will be included in the coach's packets. Coaches should write the swimmer's first and last names and meet ID numbers (also in the packets) on the cards and then turn them in to the Clerk of Course within 30 minutes after the start of each session. ID numbers must be used in order to be properly entered.

It will be the responsibility of coaches, assistants, and/or team chaperones to monitor competitors' activities during the swim meet.
