

Harvard Model Congress

Briefing Book 2008

Dear Delegate,

Welcome to Harvard Model Congress 2008! Enclosed are the issue briefings that will be used at this year's conference. The briefings are compiled in three files: one for House, one for Senate, and one for Special Programs.

To navigate between these three files, you may use the buttons in the PDF that appears when you insert the CD, or else you may browse the CD folder and choose the desired file.

If you are having trouble with the buttons and are using Windows, you may access the briefing files in the following way:

- (1) Open "My Computer" from your desktop
- (2) Right-click on the HMC 2008 CD and select "Explore"
- (3) Open the desired file

Note that the briefing files are bookmarked for easy navigation. If the navigation toolbar does not appear in Acrobat, go to the View menu, select Navigation Panels or Navigation Tabs, and then select Bookmarks. You should see a Table of Contents for the briefings in the file. Alternatively, you may press F4 on a Windows PC to bring up the Navigation toolbar.

If you have any trouble accessing the issue briefings, please feel free to contact us by e-mail at hmc@hcs.harvard.edu or by phone at 617-273-2355.

Best of luck in your preparations, and we will see you in February!

Sincerely,

The Harvard Model Congress 2008 Executive Board
